Dear Prospective St. Paul Families,

Welcome! I am pleased to announce that our registration for the 2026-2027 school year has begun! An investment in Catholic Education is an investment into your child's future. St. Paul provides a comprehensive Preschool through Eighth Grade program committed to perpetuating the teachings and traditions of the Catholic Church and provides a superior education to all students in a safe, nurturing environment. Our curriculum fosters a love of learning so that each child is spiritually, academically and socially prepared to meet the challenges of an ever-changing world. We work in partnership with the entire faith community, parents, students, faculty, administration, parishioners and pastor to ensure St. Paul School's promising future. Our teachers are highly qualified and state certified. They regularly attend staff development in-services and workshops to keep up to date on the latest trends in education.

As part of our continued efforts to streamline our financial processes, beginning with the 2026–2027 school year, **all families will be required to use FACTS for tuition payments**. FACTS provides a secure and convenient way to manage school-related payments and allows for consistent billing and record keeping. Please see the registration documents for instructions on how to register.

Please note the following important information:

- Enclosed with this letter you will find all the necessary documents needed for registration.
- **All materials** must be received for registration to be complete.
- Scholarships are available from the Archdiocese, Beyond Sunday and St. Paul Parish. If you will be applying for tuition assistance, we strongly encourage you to complete the applications as early as possible as some of the scholarships are awarded on a first-come, first-served basis.
- The scholarship applications through the Archdiocese and Beyond Sunday are now available at www.ttef-stl.org.

To all who walk through our doors, we pray that our work together leads all of us to heaven.

Sincerely,

Mrs. Kelly Kaimann

Kindergarten-8th Grade Families
"TOGETHER WE'RE BETTER"
PROGRAM AGREEMENT

St. Paul Parish sponsors a scrip program. The scrip you purchase through our program generates cash rebates from the participating retailers. These rebates can be applied to St. Paul School's "Together We're Better Obligation". In consideration of your participation in the scrip program, we agree as follows:

1. The parish will operate this scrip program on behalf of parishioners from such retailers and in such quantities as the parishioners designate from time to time, subject to the approval of the parish.
2. Your rebates will be credited to St. Paul School's "Together We're Better Obligation" and allocated to the following: (please check all that apply)
 - Name of Family _____
 - As designated on Individual Order Form
3. Any portion of the \$250 "TWP Obligation" that is not satisfied by the rebates is payable at the end of the obligation period.

You agree and acknowledge as follows: (i) your participation in the scrip program is completely voluntary; (ii) the parish is purchasing scrip on your behalf and on behalf of other participants in the program; (iii) you have limited rights to return the scrip we purchase on your behalf, based on the return policy of the scrip supplies; (iv) you shall indemnify the parish against any loss incurred in connection with there being insufficient funds in your account to cover the checks or ACH debits you issue to pay for your scrip; and (v) the parish makes no representation or warranties of any kind with respect to the scrip purchased on your behalf.

Please sign and date below to indicate your acknowledgement of this agreement.

TWB/RaiseRight Information

Families with students in Kindergarten-8th grade are required to raise an additional \$250 per year to offset education costs that are not covered by tuition (Together We're Better Obligation or TWB). This obligation can be met by using the Raise Right program. This is a gift card program that generates cash rebates from participating retailers that are applied to the \$250 obligation.

This is how it works: You buy a \$50 Dierbergs gift card through Raise Right; the school receives \$1.25, and that \$1.25 comes off your \$250 obligation.

The obligation period runs from May 11, 2026, through mid May of 2027 (date determined after school calendar is finalized).

More information will be provided in May 2026.
