

Parent/Student Handbook 2020-21

There is an appointed time for everything, and a time for every affair under the heavens...a time to tear down, and a time to build. A time to weep, and a time to laugh; a time to mourn, and a time to dance... a time to embrace, and a time to be far from embraces...a time to be silent, and a time to speak. A time to love, and a time to hate; a time of war, and a time of peace.....

Ecclesiastes 3:1-8

Teachers are expected to follow the Code of Ethics and live out the Christian Witness statement established by the Archdiocese. This document is reviewed with teachers throughout the year. Teachers also are expected to witness and model behaviors that communicate the message of Christ not only in their teaching and participation in the Sacramental life of the Church, but also in every expression of their behavior.

SECTION 4 - GENERAL SCHOOL INFORMATION

- ❖ **ADMISSIONS** Archdiocesan policy # 4101 All Catholic schools of the St. Louis Archdiocese shall admit students of any race, color, or national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at these schools. The schools shall not discriminate on the basis of race, color, national origin, or ethnic origin in admission policies, scholarships and loan programs, and athletic and other school administered programs.
- **REQUIREMENT FOR ADMISSION** Archdiocesan policy #4102.1 Catholic schools are unique expressions of the Church's effort to achieve the purposes of Catholic education among the young. Academic excellence and a disciplined formation will always be the desired goals of the Catholic school. Central to the school, however, is the understanding of the Catholic tradition and growth in faith. Parents wishing to enroll their children in a Catholic school must understand and agree to the purposes of Catholic schools. Admission to a Catholic elementary school at any point of entry is contingent upon:
 - The family's desire for this special kind of school where Catholic teaching and moral formation are an integral part of the school; (Non-Catholic families must give the same assurance that they understand the religious requirements and expectations of attending a Catholic school). Evidence of any family's desire to be a part of this type of school includes:
 - participation in the spiritual and social life of the parish or religious congregation;
 - support of the concepts upheld in the Witness Statement (Appendix 1: **Witness Statement for Those Whose Children Attend Catholic Education Programs** and Appendix 2: **Witness Statement: Called to Be Catholic For Students Who Attend Catholic Schools and Parish Schools of Religion**);
 - agreement to follow the policies and procedures of the school;
 - Willingness to cooperate with the teachers and administration in the moral, psychological, emotional, spiritual, and academic development of their children.
 - The child's fulfillment of the age requirements listed below:
 - for admission to kindergarten, the child should be five years of age before August 1;
 - For admission to first grade, the child should be six years of age before August 1.
 - Children who fulfill the age requirement for kindergarten or grade one but whom after sufficient examination are found lacking in maturity or readiness for kindergarten and primary one need not be admitted. In these cases the principal should recommend readiness activities or some program for the further development of the child.
 - For those children who do not fulfill the age requirement for kindergarten or grade one see **Admission of Students Not Meeting the Age Requirement**.
- The school's ability to meet the student's educational needs; Determination of this ability is based upon: the student's performance in another educational setting; successful completion of the previous grade level; successful completion of the entrance evaluation process.
 - **The decision to admit a child should be made only after a thorough review of the child's previous school records and all records relating to the child's special needs, if any.**
 - Parents are required to sign the "exchange of information" form giving **Authorization to Exchange Information Regarding Special Needs** to enable the school to obtain all necessary information from professionals or agencies that have made diagnoses and prescribed adjustments for students who have a known special need. If parents will not provide complete information and/or will not cooperate in ensuring that professionals who provide diagnostic, prescriptive, or therapeutic services to their child provide complete information, the school may need to postpone any further consideration of admission.

- ❖ **STUDENTS WITH SPECIAL NEEDS ARCHDIOCESAN policy # 5204** Catholic schools should attempt to address the special learning needs of students to the greatest possible extent within the parameters of the school's financial and human resources. To do less than can be done in this regard is to be exclusive in a faith that is called to be universal. It is important that schools fairly evaluate both students' special needs and their own capabilities of addressing those needs. The goal of all efforts to address students' special learning needs should be successful mastery of the regular curriculum in the regular setting. Federal legislation prohibits schools from excluding otherwise qualified students who have disabilities, solely on the basis of their disability, if, with minor adjustments, the school could provide that student with an appropriate education. In the event that a school cannot meet a particular student's special learning needs with minor adjustments, the school should assist the family in finding appropriate alternatives so that the student's needs are ultimately met. Before admitting students with special needs, schools should consider their capability to make the adjustments necessary to meet the student's needs and to provide him/her with an appropriate education. Schools must obtain complete information from the student's parents and from all prior schools before determining what steps are necessary and feasible to meet the student's educational needs and whether the school can do so without undue risk to the student seeking admission or to other students or staff. When a special need becomes evident only after a student has already been admitted, schools must likewise obtain appropriate information related to the special need. School should then ascertain what is necessary to address the need and whether it is feasible for the school to meet the need. Failure of parents/guardians to supply pertinent information may result in denial of admission or discontinuation of enrollment.
 - **Special Needs Records - Archdiocesan policy # 5204.1** Schools should obtain current diagnostic evaluations and authorization to exchange information with specialists and agencies, in order to make informed decisions about admitting students with special needs and providing them with appropriate adjustments during their term of enrollment. These evaluations and related documents should be part of a student's cumulative record.
 - In order for school to implement the policies concerning the admission and education of students with special needs, school personnel must have access to the most complete and current information about the nature and extent of the special need and the adjustments recommended or required. Having this information prior to admitting a student known to have a special need will enable the principal to consider the capability of the school to provide the resources necessary to make adjustments for the students, as well as the ability to provide the student with an appropriate education. For students whose special need is identified and diagnosed after initial enrollment, it is similarly necessary for the school to have access to current diagnostic evaluations and recommended or required adjustments.
 - In order to obtain this information, principals should have parents/guardians sign a statement that authorizes the school to: receive diagnostic evaluations from specialists or agencies involved with the student; provide information to specialists or agencies for purposes of diagnosis or monitoring; exchange information with the specialists or agencies as necessary. The parents willingness to accept the financial responsibilities of attending the school.
- ❖ **REGISTRATION PROCESS Archdiocesan policy # 4103** The principal, according to the admission policies established by the pastor and/or the board, will register students to the school according to the norms set by the parish board of education, the Archdiocesan Board of Education and accepted educational procedures.
 - The registration process includes:

- completion of a registration form;
- verification of the date of birth by a review of the birth certificate or baptismal certificate;
- verification of the dates of other sacramental celebrations;
- verification of custody arrangements in cases in which the parents of the student are divorced. (A copy of the portion of the divorce decree, which verifies custody arrangements, must be provided.)

❖ **GRADE LEVELS**

- Grades PRE-K thru 5 are self-contained classrooms.
- Grades 4 and 5 will switch classrooms to receive instruction in Social Studies and Science.
- Grades 6, 7 and 8 will follow a Departmental concept where students move from room to room. There will be specific blocks of time for Language Arts (Reading, English, Spelling), Math, Religion, etc. The teachers will be teaching subjects in their areas of expertise.

❖ **PROMOTIONS TO NEXT GRADE LEVEL**

- Promotions to the next grade will be conditioned upon a passing grade in **ALL MAJOR SUBJECTS**, as indicated on a final report card.
- If any student has a failing grade (F) in any Major Subject during any three quarters of the year, promotion will be conditional.
- A student will not be promoted if he or she has a failing grade (F) in the final average in any two major subjects.
- Children who are working at their potential and have an inability to achieve at grade level performance will be handled individually. Our Learning Consultant will evaluate, along with the guidance of the Teachers and Administration, the proper services necessary to have each student recognize their abilities.

❖ **GRADUATION Archdiocesan policy # 4502 To graduate from a Catholic elementary school in the Archdiocese of St. Louis, a student must have successfully completed the minimum academic and religious requirements of the school; maintained a satisfactory attendance record as defined by the school; demonstrated satisfactory conduct; and completed all financial obligations.**

❖ **HOMEWORK/MAKE-UP WORK Archdiocesan policy # 5203.6** It is expected that students will receive assignments to be completed outside of class time appropriate to their learning needs. Assignments given should supplement the in-class activities. Expectations and requirements should be clearly stated, and the work should be challenging within the ability of the students. "Busy work" should not be assigned. Outside of class assignments should provide opportunities for self-directed learning. Hence such work should be more than teacher assigned readings and written assignments. It should include independent review of curriculum content, application of content and additional ways of engaging students with content. It should also include long- term projects and research at appropriate levels of challenge.

- The children ordinarily have homework. This may be written work or study relevant to classroom experiences. Our purpose in giving homework is to reinforce what is taught in the classroom and to instill the concept of self-learning. In addition, it gives the child some responsibility and the parents an idea of what the child is learning.
- The approximate time that should be devoted to homework is as follows:
 - Grades K, 1, 2 - 15 to 30 minutes
 - Grades 3 and 4 - 30 to 60 minutes
 - Grades 5 - 8 - 60 to 90 minutes
 - Grade levels K – 8 should be reading every evening.

- **(Please note homework over weekends is discouraged, however that does not discard the child from being asked to study his/her notes for an upcoming test or finish a long term project)**
 - It is the parents' responsibility to see that the homework is done in an atmosphere conducive to learning. We suggest a regular time and place for homework.
 - Ordinarily no homework will be assigned on school vacation, unless the student is working on an extended project. Students taken out of school for vacations are not to ask for the work to be given ahead of time. The student will make the work up when they arrive back to school with an appropriate amount of time given for the make - up work to be completed. Parents, as well as students, are responsible for working with the teachers and student to assure completion of assignments. If further assistance is needed for successful completion, parents should contact the teacher. Students who miss for illness are expected to get their daily work through family members or friends. Parents may also request by notifying the child's teacher that they would like to pick up their ill child's homework at the end of the day from school. The homework will be located in the office for the parent to pick up.
 - **For absences due to illness, the student has as many days to complete the assignment as the number of sick days out of school. If the child is out of school for a long term illness arrangements will be made with the administration and teacher(s) for that child to make up his/her work.**
 - Homework Assignment Books will be used in Grades 3- 8. These must be bought through the school. Everyone having the same type of homework assignment book ensures that it can be used as a teaching tool.
- ❖ **TEXTBOOKS AND WORKBOOKS** All textbooks and workbooks for classroom use are furnished through the school. All textbooks must be covered at all times. CHILDREN MUST HAVE BOOK BAGS/BACKPACKS. Any book damaged or lost must be paid for by the student.
- ❖ **TESTING PROGRAM** The complete testing program for St. Paul School children consists of the following:
- Kindergarten students will be given a screening to determine admittance.
 - The IOWA TEST of SKILLS is administered in grades 3–8 in the fall of each year. The times and dates are set by the Catholic Education Office. A Test of Cognitive Skills is given in conjunction with the achievement test to determine basic mental ability in grades 4,6, and 8
 - At St. Paul School additional testing other than the above may be given as deemed helpful for the children's progress. Students in Grades 5 & 8 are given an ACRE test in January. This test assesses their knowledge of Religion facts and their attitudes toward Religion.
 - Testing for students who have a possible learning disability is done through the local public school district. Arrangements for testing will be made through St. Paul School and the child's parents. This is a free service. Special Service Testing can also be given through the Archdiocese or a private counseling service, but with an added charge to the family. Interested parents should be in contact with the child's teacher and St. Paul's Learning Consultant or school administration.
- ❖ **REMEDIAL SUPPORT AND ACCELERATED PROGRAMS**
- Students who have been diagnosed with a specific learning disability, and those students who are in need of additional support, will receive services as to what their needs exhibit and time permits. A Learning Consultant along with the classroom teacher will provide and support the modifications and accommodations needed. Our Learning Consultant will "push in" to the classroom to help the child in their initial classroom setting. Students with diagnosed learning disabilities are highly encouraged to take advantage of public school services offered as well to further support their academic needs for success. Students with diagnosed learning disabilities will need to have a current Service Plan for Standardized testing purposes in September.

- St. Paul School offers enrichment opportunities to students needing further academic challenges during a school day. These opportunities are guided by the classroom teacher and the Learning consultant working closely together. Students who demonstrate high achievement scores, teacher recommendation and high classroom performance will also be offered the opportunity to attend a once a week accelerated class in the Learning Lab with our Learning Consultant.

Tuition Management Company needs 4 banking days with which to comply with a request to change a payment schedule. Without this information, the following policy will apply to late payments:
 - ANNUAL PAYMENTS - If the annual payment is not received by July 10, the discount applied to the annual payments will be lost. In addition, if payment is not received by July 25, the family must choose the monthly payment plan through F.A.C.T.S. Tuition Management Company.
 - SEMESTER PAYMENTS- If the semester payments have not been received by July 10 and by December 20, the discount applied to the semester payment will be lost.  - MONTHLY PAYMENTS – Monthly payments are handled through the F.A.C.T.S. Tuition Management Company. - **Tuition Assistance Policy - Tuition Assistance Programs are available through the Archdiocese of St. Louis and St. Paul Parish. The Archdiocese of St. Louis offers many scholarship opportunities thru its Today and Tomorrow Educational Foundation. The application for these scholarships is available at NO COST to parents. SECTION 5 - SCHOOL ARRIVAL and DISMISSAL PROCEDURES

❖ ARRIVAL

- Parents are to enter by the parish center and follow the drive around the back of school and drop their students off at the handicap entrances. The principal and safety patrol will be there to direct you. All students will enter through this entrance.

❖ DAILY SCHEDULE

- **7:15 A.M.** -Students will go directly to their classroom at this time. Students should not arrive at school before 7:15 a.m. (unless using Before Care Services available 6:30-7:15). Students are dismissed from the Gym to the classrooms at 7:15. School starts promptly at 7:45. Students should arrive before 7:40. Anyone arriving between 6:30-7:45 may enter through the handicap doors at the rear of school. Anyone arriving after 7:45 is considered tardy and needs to be signed in at the front of the school entrance.
- **7:45 A.M.** - School begins.
- **DISMISSAL: 3:05 DETAILS ARE LISTED IN THE DISMISSAL SECTION**

- ❖ **ABSENCE** Archdiocesan policy #4201 Students are considered absent whenever they are away from school during school hours except for school sponsored or school sanctioned co-curricular activities (e.g., field trips, enrichment, and remedial programs, etc.) Students who must be excused for medical, dental, funeral, or other reasons during school hours are considered absent. For these types of absences a written notice should be sent to the school in advance by a parent/guardian stating the time, length, and reasons for absence. Archdiocesan policy #4201.1 Chronic or excessive absences without substantial cause can be a factor in determining a student's continued enrollment in the school. A student is truant if he/she is absent from school for a day or portion of the day without the knowledge and/or consent of the parent/guardian and school officials.

- Frequent absences from regular classroom learning experiences disrupt the continuity of the instructional process and the benefit of the regular classroom instruction is lost and cannot be regained in its entirety - namely class discussion and interaction. It is recognized that absence from school is necessary under certain conditions; however, it is the obligation of the parent to keep absences to a minimum. We discourage vacation during school sessions and ask that parents notify the individual teachers in advance if this occurs.
- Frequent tardiness; too, disrupt the continuity and our time together as one body attending daily Mass. It not only leads to undesirable traits of irregularity and delinquency, it also interrupts the priest and the members attending Holy Mass.
- **Absence Consequences** - If your child is going to be absent from school, please call school (978-1900 X2) before 9:00 a.m.
 - If a parent has not called by 9:00 a.m., the office may call a parent at home or work to find out the reason for the absence.
 - A written excuse stating the date, reason for absence and signature of the parent or guardian of the child is required for all absences. Tardiness along with absences are recorded on the student's permanent record.
 - If an absence occurs more than ten days within the quarter, a letter will be sent from the Principal detailing expectations. **FIFTEEN DAYS FOR THE YEAR IS CONSIDERED EXCESSIVE. PLEASE REMEMBER THAT EXCESSIVE ABSENCES MAY RESULT IN RETENTION OR FAILING GRADES.**
 - If an absence occurs because of vacation, the student is responsible for all previous deadlines for projects or assignments. It would be to the student's benefit to complete and turn in all assignments prior to the due date. It is left to the teacher's discretion to schedule

make-up tests and dates of completed work. It is the student's responsibility to obtain all assignments. Teachers are not obligated to collect assignments for students before a student leaves for a vacation.

❖ **TARDINESS Archdiocesan policy #4202 - A student is tardy who arrives after the time fixed by school policy for the start of the school day (7:45 AM).**

- A written excuse stating the day and reason for tardiness must be recorded on a tardy slip and picked up at the office in order for a student to enter class.
- If a child arrives after the students have left the school building for church at 7:40, he/she should NOT go directly to church. Parents please sign your child in and have him/her receive a Tardy Slip before going to Mass.

❖ **RELEASE OF STUDENTS FROM SCHOOL**

- **Withdrawal Policy** - Children are considered absent who must be excused for medical, dental, funeral, or other reasons during school time. A written notice should be sent in advance stating the time, length, and reason for the absence. Parents must sign their child out at the office. Tardiness will be counted up until 10:00 am, after that a child is considered absent. Parents are asked to arrange for all dental and doctor appointments on free days or during holiday vacation.
- **Release Procedures** -
 - **No child may leave the school grounds without parental permission** after arriving in the morning, during the lunch period, before dismissal in the afternoon, or while waiting for their car after dismissal.
 - The school is not responsible for students who leave the grounds without permission. Students are to go directly home/or scheduled place after completion of each school day.
 - **PARENTS MUST SEND A NOTE OR CALL THE SCHOOL IF THERE IS A CHANGE IN THEIR CHILD'S DISMISSAL FROM SCHOOL. PLEASE CALL THE OFFICE BEFORE 2:45 PM FOR ANY CHANGE IN DISMISSAL INSTRUCTIONS. NOTE THAT THIS PERMISSION EXTENDS TO ALL GRADE LEVELS PRE-K - 8. OLDER STUDENTS MAY NOT CHANGE THEIR FORM OF TRANSPORTATION UNLESS THEY HAVE PARENTAL WRITTEN CONSENT AT THAT TIME.**
 - Students dismissed outside of regular times will meet parents in the school office, at which time, parents will be requested to sign-out the child. **NO CHILD WILL BE DISMISSED DIRECTLY FROM THE CLASSROOM.** Parents will remain in the office and the child will meet them there.
 - If for an emergency the school day is terminated earlier than the usual dismissal time, parents will be notified through radio communication, telephone call/or the use of the emergency telephone numbers. No student will be allowed to leave unless he/she has a designated place to go.
 - If a child becomes ill, we will call the parents and/or the persons on the emergency information card as is necessary.
 - **If you are unable to pick your child up by 3:05 they will be kept in the office until 3:15. If at 3:15 you are not here to pick up your child they will be sent to After Care. (Aftercare is available until 6PM)**
- **KEEP EMERGENCY PHONE NUMBERS UP TO DATE. PARENTS MUST INCLUDE WORK NUMBERS, CELL PHONE NUMBERS AND E-MAIL ADDRESSES.**
- **Acceptable Excused Absences** - A child is tardy or absent any time he/she is away from the school with the exception of the following guidelines.
- **Excused Absences:** An excused absence is one in which the child is absent but does not count against their attendance record. Appropriate classroom work must be completed.

- If a child attends a Parent Work Day in cooperation with a business that officially allows the experience, the student will be granted an excused absence for the day. **ONLY WITH A NOTE FROM THE PARENT PRIOR TO THE DAY ITSELF.**
- 8th Grade Pro-Life Trip to Washington D.C.
- Student is released for special service testing at another school.
- Student attends special class sessions at the public school.
- 8th grade students are allowed 2 days only to visit high schools before February.
- **Early Dismissal** - A written request from parent(s)/guardian is required for a student to leave school before time of dismissal. The request must state the reason for early dismissal and should be brought to the teacher in the morning. Parent(s)/or a designated person must pick up the child in the office and sign the child out. Students leaving before 2:00 p.m. will have an excused absence for one-half day. Parents should try to arrange for all dental and doctor appointments on free days or during holiday vacation. **Please note that if a child, regardless of age and grade level, goes home with someone other than the regularly scheduled choice, the office must be notified, preferably in writing.**
- **Release from school due to illness**- A student is permitted to leave school premises for illness only after the parent/guardian has been contacted by phone.

❖ **DUAL ENROLLMENT Archdiocesan policy #4204 Dual enrollment is a method of providing courses and programs to a student that the school itself cannot provide due to staffing and/or finances. Missouri state law also allows Catholic school students to be dually enrolled in public schools in order to participate in specialized programs or to receive special education or remedial reading and mathematics services.**

- Guidelines for Applying the Policy:
 - Dual enrollment is possible only in another accredited school.
 - The Catholic school is the primary educational provider. The other school is a supplemental provider.
 - The Catholic school is responsible for instructing the student in the core curriculum (religion, language arts, mathematics, science and social studies).
 - A student is not considered absent from the Catholic school when in attendance at the other school.
 - In determining whether dual enrollment is a viable option for meeting a student's educational needs, consideration should be given to the impact of the student's absence to attend the supplemental program on the student's learning the core curriculum in the Catholic school.
 - A written plan should be developed whenever a dual enrollment is established and placed in the student's cumulative file. This plan should include specific information regarding:
 - the educational purpose the dual enrollment arrangement is intended to achieve;
 - the amount of time the student will be away from the Catholic school;
 - the mechanism by which the Catholic school will receive information from and provide information to the supplemental program, including attendance/absences;
 - Transportation to and from the Catholic school.

❖ **CLOSING OF SCHOOL**

- **Before the start of the school day**- Sometimes it is necessary to cancel school entirely because of ice or snow. Parents will need to watch television channels 2, 4, or 5, for this information. Announcements are also made on AM radio stations KMOX 1120 and KTRS 550. You may also access this information on the internet.
- **During School Day** - If for an emergency reason the school day is terminated earlier than the usual dismissal time, parents will be notified through radio communication, telephone call/or the use of the emergency telephone numbers as well as the internet. No student will be

allowed to leave unless he/she has a designated place to go with permission from the parent. Parents may pick up their children if they feel it is necessary. This will not affect their attendance record. On questionable weather days, tardies will not be marked. There is NO Aftercare on these days!

- At no time is a student granted permission to use their cell phones to communicate, in any way, that they want or need to be picked up from school before dismissal. Parents are to call the school office for permission to be granted. A child using a cell phone during the day to call home or without permission from a teacher for any other use will turn their phone into the principal. Only the parent, after meeting with the principal, may retrieve the phone back. The student may be issued a consequence including Reformation Time. This decision is left to the principal.

❖ **DISMISSAL PROCEDURES**

- When picking up children if you have a pet in the car, please leave the pet in the vehicle. Do NOT bring the pet outside of the vehicle for children to see or play with. This is a safe practice for all adults and children on the lot. Parents are asked to adhere to the following dismissal procedures.
 - **Pre-Kindergarten, their sibling, and other passengers.**
 - You will park in the parking lot in the rear of school. We ask that you back into your space for the safety of all during dismissal.
 - **Kindergarten, 1st and 2nd grade students, their sibling, and other passengers.**
 - You will be lining up in the **SCHOOL PARKING LOT** in TWO rows facing Church Road. Please pull up to the car in front of you and put your car in "park".
 - If you are the first to arrive you will need to pull up to the end of the lot. **NOTE:** If you need to turn right out of the school parking lot (toward the K.C. Hall) please be sure to get in the line closest to the school. Otherwise both lines will be turning left out of the school parking lot.
 - **3rd through 8th grade students**
 - You will be lining up in the **CHURCH PARKING LOT** directly across from the school AND in the **GRAVEL PARKING LOT**.
 - If you park on the black top you need to face Church Road and we will dismiss the same as we have done in the past. No one is to leave by the south side (cemetery side) of the church.
 - Parents parking in the gravel lot MUST face north (toward the K.C. Hall) and MUST dismiss in that direction. You may not go south out of the gravel lot. PLEASE do not leave the gravel lot until cones are removed for you to exit.
 - **LATE ARRIVALS** If you arrive late please park in the Quilters Lot and wait for the school lot to be reopened.
 - Once the chain and cones are removed you may enter the school lot for late pick up. **PLEASE DO NOT EVER INITIALLY PARK IN THE QUILTERS LOT OR THE BASEBALL DIAMOND LOT.** It is important to follow the guidelines of the parking lot for both the safety of the children and the fairness to those who are following the guidelines.
 - If you are unable to pick your child up by 3:05 they will be kept in the office until 3:15. If at 3:15 you are not here to pick up your child they will be sent to Aftercare.

NO ONE SHOULD DRIVE BEHIND THE CHURCH TO PICK UP THEIR CHILDREN. THERE WILL BE FACULTY MEMBERS ALONG WITH SAFETY PATROL PERSONS ASSISTING WITH DISMISSAL.

SAFETY IS OUR MAIN FOCUS!!!!

SECTION 7 – COMMUNICATIONS

- ❖ **TELEPHONE MESSAGES** No teacher or child will be called from class except in case of emergency. Messages, however, will be delivered to teachers and students.
- ❖ **PARENT/TEACHER CONFERENCE** Every parent will be given the opportunity to have a conference with his child's teacher/teachers after the first report card is issued. It is desirable that parents and teachers arrange for additional conferences whenever necessary for the good of the child.
- ❖ **PARENTAL VISITS TO CLASSROOM OR WITH TEACHERS BEFORE OR AFTER SCHOOL** If a parent wishes to have a discussion with a teacher or visit the classroom prior to the beginning of the school day or at the ending of the school day, **it is required that you schedule a timed conference**. The teacher usually takes the time before and after school to be available to the students and/or prepare for the classes.
- ❖ **PARENT COMMUNICATION WITH TEACHERS** Parents are asked to call during the school day if they wish to speak with a teacher or set an appointment. The teacher will be given the message on voicemail. The call will be returned either during the day at a time convenient for the teacher or within 24 hours of the call. Please remember to leave both work and home telephone numbers. If the call is an emergency, please indicate this to the school secretary who will inform the teacher or Principal who will relay the message to the teacher. Parents may contact their child's teacher via e-mail at any time and expect a response within 24 hours as well.
- ❖ **NEWSLETTERS** A weekly school newsletter is sent home via e-mail every Wednesday. If you wish to receive a hard copy you must make arrangements through the office. Pertinent information about recent accomplishments and upcoming events are included in this newsletter. All information to be published in the school newsletter **must be fully prepared** for print and presented to the office by 7:30 Wednesday morning.
- ❖ **MEDIA POLICY** St. Paul School shall implement this policy in the following manner:
 - St. Paul students and parents will be required to sign an acceptable use policy (AUP) to protect individual identity and safety when using the Internet or engaging in electronic or digital communication.
 - St. Paul School will also follow the guidelines recommended by the Archdiocese when working with the media, releasing pictures of students and posting information on the school's website.
 - Everything posted over the internet or per digital devices will be done in a manner that will be an appropriate form of communication which will maintain respect for an individual's privacy, dignity, safety and good name of others.
 - The consequences of inappropriate actions or communication that affect the school, other students, their parents, and members of the school staff will be discussed thoroughly with the individuals involved. The pastor and principal will decide what actions are to be taken including "withdrawal with cause".
 - The Administration shall investigate and act upon all reported or observed instances of Inappropriate Electronic Conduct.
 - Students, parents, and members of the school staff should be expected to promptly report to a school administrator all suspected or observed instances of Inappropriate Electronic Conduct.
 - Administrators will consider seriously all reported or observed violations and address them in a timely and appropriate manner according to school and Archdiocesan policy, applicable state or Federal laws, and accepted administrative practice.

- When making decisions regarding the discipline of students who violate this policy, administrators will give paramount consideration to the safety and dignity of students, parents, members of the school staff, and others associated with the school.
- Violations of the electronic and digital communication policy shall be subject to the full range of disciplinary consequences up to and including “withdrawal with cause.”

❖ **SCHOOL WEBSITE INFORMATION**

- Our school website can be accessed by going to www.stpaulknights.org. Information to add to this site can be approved by the principal.

❖ **COMMUNICATING WITH MISSOURI DEPARTMENT OF SOCIAL SERVICE**

- All teachers, school personnel, and administrators are considered to be state mandated reporters. They are required to report to the Division of Family Services any reasonable cause to suspect that a child attending their school is being abused or neglected.

SECTION 8 - BEHAVIOR AND DISCIPLINE

THE PRINCIPAL AND PASTOR RESERVE THE RIGHT TO EXERCISE ALL DISCIPLINE MATTERS AT THEIR DISCRETION.

- ❖ **DISCIPLINARY GUIDELINES AND PROCEDURES** Archdiocesan policy #4301 **In guiding a student’s growth in Christian attitudes, values, and behavior, it is desirable to emphasize the positive rather than the negative. The essence of Christian discipline is self-discipline.**
 - **Behavior Objectives** The students and staff of St. Paul School are expected to show respect for others and to act in a virtuous manner that demands the respect of others and to accept the responsibilities and consequences for their actions. This outcome starts with the demonstration of proper moral and social behavior in both supervised and unsupervised settings. St. Paul School will facilitate the achievement of these Catholic attitudes by teaching the need for and benefits of such behavior and by re-enforcement of that teaching by way of a set of consistently applied disciplinary procedures. The administration is expected to tailor the disciplinary procedures to the expected maturity level of the individual.
 - **PROCEDURE FOR PARENTS TO FOLLOW FOR CONTACTING TEACHERS OR THE SCHOOL ADMINISTRATION IN REGARD TO DISCIPLINARY MATTERS.**
 - Parents **FIRST** contact the child’s teacher. The teacher will then notify the Principal of the problem.
 - The parent and the teacher will discuss the problem and resolve it. The Principal will be notified by the teacher of the problem resolution.
 - If for some reason the problem cannot be resolved by the teacher and the parent, the Principal will be notified by the parent. A meeting will then be scheduled with the Principal, teacher and the parents. They will discuss the problem and resolve it.
 - If the problem cannot be resolved, the Principal will discuss the problem with the Pastor. A plan of action will be formulated with parents and teacher notification.
 - **SCHOOL WIDE RESPECT EXPECTATIONS** To encourage students to follow these school wide rules, St Paul Staff will recognize appropriate behavior. The teachers may develop a workable system within their own classroom, as long as it doesn’t conflict with general rules.
 - Listen carefully.
 - Follow directions.
 - Work quietly. Do not disturb others who are working.
 - Respect others.
 - Respect school and personal property.

- Work and play safely.
- Follow the dress code.
- Quiet in the hallways, NO RUNNING.
- **DISCIPLINE POLICY** ALL DISCIPLINE ACTIONS AND CONSEQUENCES WILL BE DOCUMENTED AND KEPT ON FILE. ALL TEACHERS WILL MAINTAIN ANECDOTAL RECORDS FOR EACH STUDENT. THE PURPOSE OF THESE RECORDS IS TWO FOLD:
 - To determine patterns of behavior. When patterns are recognized, the teacher along with the principal may develop an Action Plan that describes the behavior and identifies encouragement techniques that will help build self-esteem, which strengthens the motivation to cooperate and learn. It is our intention to assist the student in developing habits of good behavior.
 - To use as a communication tool with parents. The parents may receive a note detailing their child's behavior that must be signed and returned to school the next day. Special behavioral plans will be discussed with all parties involved before implementation.
- **ALL STUDENTS' BEHAVIORAL CONCERNS WILL BE DEALT WITH ON AN INDIVIDUAL BASIS.**
- **KNIGHTED IN VIRTUE STICKERS (ALL GRADES)**
 - St. Paul promotes virtuous actions and words daily. Each quarter a different virtue will be focused on and taught in depth to the children through classroom lessons, Mass, Peer teachings and modeling of behavior by both students and faculty. Teachers will use virtue-based restorative practices to encourage students to be courteous and respectful. Teachers and students will discuss expectations (e.g. raise hand before speaking, keep hands and feet to yourself, etc.) during the first week of school.
 - Students and teachers together will take ownership of these behaviors signifying a respectful and collaborative community. Students will have the opportunity to be recognized for going above and beyond the School Respect Expectations by earning a Knighted in Virtue Sticker. Examples of these above and beyond actions or words could be picking up trash without being asked, doing the right thing when being pressured to do otherwise, using words that are good and useful to others, including someone who is alone etc... When a child receives a Knighted in Virtue sticker they will proudly wear it so all will know throughout the day and parents will be aware when they come home. The children will then qualify to be put into the weekly raffle to "win" incentives such as dress down pass, ice cream treat with the principal, lunch from the principal, gift cards etc...
- **Grades K-4**
 - Teachers will communicate with parents regularly when a child is not following the expectations of the school, therefore portraying non – virtuous behaviors. This communication may be written in a behavior log that the teachers and student keep on a weekly basis or a parent may be emailed or called via phone to discuss behaviors. Parents of children in grades K-4 will be given more information on how non virtuous behaviors will be communicated for their child's classroom during Parent Orientation.
- **GRADES 5 – 8**
 - Behavior Log Virtue Cards
 - Each student will receive a Virtue Card (personal behavior log) at the beginning of each quarter. This Virtue Card is a personal reminder to the student as to the virtue they were lacking on a certain day or at a certain moment. A teacher will discretely sign this card, writing down the virtue that is lacking. Parents are expected to periodically ask their child for their Virtue in Need card to use as a tool to talk together about the appropriate behaviors that should take place at school and why the certain behavior did take place.
 - Recurrent disruptive or disobedient behavior will result in a Virtue in Need signature by the teacher present.
 - Dress code infractions will be recorded as a Virtue in Need check.

- For repeated dress code infractions, at the teacher or administration discretion a child may receive a Virtue in Need signature.
- If a student cannot produce his/her discipline card when asked, it may result in a signature.
- If a student loses his/her card, it may result in a signature.
- Once a child has received 3 growth signatures a teacher will send home a Reformation (detention) notice that has been signed by the teacher. This notice will be sent home for a parent signature and immediate return to school. Failure to return the signed Reformation notice the next day may result in additional Reformation time
 - Per Quarter:
 - ◆ 3 growth signatures= 1 hour Reformation
 - ◆ 3 additional growth signatures= 1 day ISS with Reformation Provided
 - ◆ 3 additional growth signatures= 1 day OSS with Reformation Provided

❖ REFORMATION

- Reformation will sometimes be used as a consequence for behavioral problems or perpetual problems. Reformation are most often served on a pre-set day of the week from 3:15-4:15 p.m., in a designated classroom. Reformation will be restorative in nature and students will be required to complete the necessary work assigned to meet consequence requirements. Parents will be notified of the day and they will be expected to arrange transportation home for their child. Failure to report to Reformation without advance notice from the parent of the inability to attend may result in an in-school suspension. If a child is not picked up at the conclusion of the reformation, the student will be sent to After Care and a fee will be assessed.

ALL DISCIPLINE ACTIONS AND CONSEQUENCES WILL BE DOCUMENTED AND KEPT ON FILE

➤ **INTERNET AND ELECTRONIC COMMUNICATIONS Conduct - Archdiocesan policy #4303.4** a safe environment for all members of the school community should be a hallmark of a Catholic school. This is accomplished, in part, by fostering a climate based on Gospel values that emphasize the dignity of and respect for all persons. Words, actions, or depictions which violate the privacy, safety, or good name of others are inconsistent with that goal. Whether occurring within or outside of school, when students jeopardize the safe environment or act contrary to those Gospel values they can be subject to disciplinary action by the school. This policy applies to communications or depictions through e-mail, text messages, or web site postings, whether they occur through the school's equipment or connectivity resources or through private communications, which: (1) are of a sexual nature; (2) threaten, libel, slander, malign, disparage, harass or embarrass members of the school community or (3) in the principal's discretion, cause harm to the school, or the school community (collectively referred to as "Inappropriate Electronic Conduct"). Inappropriate Electronic Conduct shall be subject to the full range of disciplinary consequences, including withdrawal for cause.

- Cell phones, messaging devices, digital imaging and wireless devices are ubiquitous in our society. They provide a useful function when used for their intended purposes. There are circumstances in which these devices can provide a student with educational opportunities. If your child is to use one of these devices during the school day you will be given notification through a letter or email from the classroom teacher that the device is allowed to come to school and to be used in the classroom. An acceptable use policy for the assignment or lesson will be sent home and signed by the parent and student. At all other times these devices should not be brought to school. If a cell phone is needed at school the following guidelines need to be followed:
 - ◆ Should remain OFF in the student's backpack and never be used during school hours or during after care.
 - ◆ The school will not be responsible for any articles of this nature brought to school.
 - ◆ If a child is caught using any inappropriate wireless devices during the school day they will be taken away immediately and the parent must meet with the principal to pick up the device. The student may receive a consequence including Reformation Time. This decision is left up to the Principal.
 - ◆ What is considered to be "appropriate" will be left to the discretion of the administration, i.e. electronic readers, tablets, iPads or cell phones that have been granted permission by a teacher and parent to be used in an educational lesson and used properly, are considered to be appropriate.

➤ **SEARCH AND SEIZURE - School Officials May Search a Student's Desk.** School property is subject to search by school officials. Additionally, a student's jacket, purse, backpack and the like are personal property which may be searched upon reasonable grounds to justify the search. Reasonable grounds to search exist when the school has knowledge of specific and describable

conduct leading a reasonable person to believe the student has engaged in prohibited conduct. If the student refuses, disciplinary action such as suspension could be taken based on that refusal, or if the school remains convinced of the reasonable grounds for a search of the student's personal property, the school official may conduct a reasonable search notwithstanding the student's refusal

- **DRESS AND GROOMING-** Archdiocesan policy#4303.6 Students are expected to dress and present an appearance consistent with standards of good taste and appropriate for school and school events. Any dress or wearing of insignia which conveys the image of gang membership, supports the beliefs of hate groups, makes sexual innuendos, or promotes drugs, alcohol, or tobacco is inappropriate for school and should not be allowed. Revised 7/2019
- **HARASSMENT POLICY -** Archdiocesan policy #4303.7 Catholic schools shall maintain a learning environment that is free from all forms of harassment. No student in the school shall be subjected to any type of harassment. Catholic schools forbid harassment because it is not in keeping with the Gospel message of Jesus Christ and the standards of its programs. Harassment is defined as any unwanted and unwelcome behavior that interferes with a student's performance or creates an intimidating, hostile, or offensive learning environment. Harassment includes conduct that is verbal, physical or visual.
 - St. Paul School shall maintain a learning environment that is free from harassment. No student in the school shall be subjected to any type of harassment. All investigations will be conducted in a sensitive manner and, to the extent feasible, confidentiality will be honored. The investigations and all actions taken will be shared only with those who have a need to know.
 - If, after investigation, the school determines that a student has engaged in sexual or other forms of harassment, appropriate disciplinary action, up to and including suspension and withdrawal for cause, will be taken.
- **VANDALISM -** In the event that a student is negligently responsible for damaging school or parish property, that student or students will be obligated to pay for the damaged item or repair it to the administration's satisfaction. If this cannot be done, an equitable number of service hours to the school will be in order. Proper juvenile authorities will be notified if a crime is suspected.
- ❖ **SUSPENSION – the removal of a student from all classes for a specified period of time.**
 - If serious and/or consistent behavior impedes the learning of another student an in-school-suspension may be served.
 - Suspension may consist of isolation from peers, time spent in another classroom or with the principal. The student will work on his/her school work and anything else necessary to repair the harm that he/she has caused. In extreme cases some there will be an out-of-school suspension. Parents will be informed immediately if such behaviors warrant an at home suspension.
 - Upon returning to school the student is responsible for getting and completing all assignments missed. Assignments will be completed 2 days after return to school. Tests will be made up at the convenience of the teacher. If assigned work is not satisfactorily completed, the student will receive a zero. Re-admission conditions will be established in writing and signed by all parties involved. A meeting with the student, parent, and principal must take place before the student is readmitted to St. Paul School.
- ❖ **PROBATION – the continued enrollment of a student, but with specified conditions.**
 - Any student may be put on academic or behavioral probation at any time. Prior to this the school and the parents will have had much communication and many "other" strategies would have been implemented. The length of the probation will be decided by the administration; the parents will be notified.

- ❖ **WITHDRAWAL FOR CAUSE- the permanent end of enrollment of a student from the school.**
 - Ordinarily a student would not be subject to withdrawal for cause unless there has been a period of suspension and/or other serious disciplinary action taken. A student may be subject to withdrawal for cause as a result of a single, extremely serious conduct violation or action contrary to the mission and purpose of the school.

- ❖ **RECESS**
 - **BLACK TOP**
 - Follow guidelines of the blacktop games; do not kick balls just to kick them. Kick balls when people are aware and in organized games.
 - If ball goes into the street more than one time it may be taken away for the safety of the students.
 - When the person on duty says it is time to go in, that means **NOW**, please do not kick, throw another ball or keep playing. Respect what is being asked.
 - **PLAYGROUND EQUIPMENT**
 - No throwing the wood chips.
 - No climbing up the slide.
 - No jumping off or standing on the swings.
 - No hanging on basketball rims.
 - Limit tetherball games to 5 minutes each.
 - **GRASSY FIELD**
 - No tackling games.
 - No sliding in grass or on dirt.
 - No ball tag.
 - Any other type of behavior that the teacher sees as unsafe will not be tolerated and the student will be told to stop and expected to do so immediately.

- ❖ **PARTIES OUTSIDE OF SCHOOL**
 - We recommend that if big parties are given, each child in the classroom (boy and girl) be included on your invitation list. When one or a few are not included, it does affect the environment within the school. Please do not bring invitations to school if the whole class is not invited. **MIXED PARTIES OUTSIDE OF SCHOOL, THAT MIGHT SUGGEST COUPLES OR DATING ARE STRONGLY DISCOURAGED. THIS MOST DEFINITELY PRESENTS A PROBLEM IN THE CLASSROOM AND ON THE PLAYGROUND.**

SECTION 9 - HEALTH

The general practice in the St. Louis Archdiocese is that students have a complete physical examination upon entrance to Kindergarten, 3rd grade, 6th grade, and 9th grade. All new entrants at any grade level should have a physical examination if they have not had a physical in the past twelve months.

- ❖ **HEALTH RECORDS** In compliance with the recommendations of the Missouri Department of Health, all children are expected to have a physical examination upon their entrance into school and immunizations to be kept current. If they have received a physical exam before Kindergarten, it is not required for Primary One. Current health records must be maintained by the school office. All students need to be current in health immunizations BEFORE the first day of the school year, according to statutes set by the Missouri Department of Health. **Please let us know if there is anything we need to be aware of regarding your child's health that should be recorded on the card. This is extremely important.**

❖ HEALTH SERVICES

- Based upon the availability of proper medical assistance, each year we will try to conduct eye and ear screenings. Please watch for this information to be brought home by your child.
- For minor injuries that may occur on the school grounds, the school office will administer basic first aid. This first aid will include washing the wound and applying a Band-Aid. If the injuries are of a serious nature, the parents will be called. **It is imperative that you keep the school office informed of your emergency telephone number.** We are required to notify parents when your child receives any type of head injury, no matter how minor.

❖ ADMINISTRATION OF MEDICATION Archdiocesan policy # 4401.4 - Ideally, all medication should be given at home. However, some students are able to attend school because of the effectiveness of medication in the treatment of chronic illnesses or disabilities.

- If a student requires medication during the school day, the following must be in place:
 - the direct order/consent of a licensed physician, licensed physician's assistant or nurse practitioner, signed and properly filed with the school. (The current prescription label on the container may serve as a physician's order and physician's orders may be faxed or mailed to the school.)
 - written consent of the parent/guardian for school personnel to administer the medication
 - the medication in the original container;
- All medication sent to the school will be secured in a locked cabinet under the supervision of the administration. Students may not carry medication on their person, with the exception of life saving medication when properly registered with the school. Lifesaving medication should be kept in a secure place, but not locked. A trained staff member must be assigned to administer medication. Proper documentation must be kept on every dose given.
- If there is ANY change in the dose or timing of medication, the physician must submit the change in writing. This note may be mailed or faxed (636-978-1944) to the school. A parent may not give permission to give the medication differently than the physician's order.
- **IF YOU SEND MEDICINE WITHOUT HAVING FOLLOWED THE ABOVE PROCEDURES, WE WILL NOT DISPENSE THE MEDICATION.**
- If you feel your child needs other types of medication during the school day, such as aspirin or cough medicine for which you do not have a doctor's written order, you may choose to come to the school office to dispense the medication to your child.

❖ GENERAL GUIDELINES FOR SENDING AN ILL CHILD HOME - **If a student becomes sick at school, we will limit the child to an area by themselves until a parent can come pick the student up. When the parent arrives, we will escort the student to the car rather than have the parents come into the building.**

- Fever (>100) or 1 – 2 degrees above child's normal temperature and/or ill appearing
- Rash of unclear cause that has not been evaluated by a physician
- Difficulty breathing (especially asthmatic not relieved with medication)
- Sore throat or difficulty swallowing
- Reddening of the white of the eye and inner eyelids, with or without pus drainage.
- Vomiting at school or stomach cramping with history of vomiting in prior 24 hours
- Diarrhea, sleepiness, and abdominal cramping
- Mouth sores with inability to control saliva
- Cough
- Shortness of breath or difficulty breathing
- New loss of taste or smell
- Headache

- Myalgias – Muscle Aches
- Runny nose/congestion

❖ **SICK POLICY FOR RETURNING TO SCHOOL **The following may be modified based on adjustments made by the Archdiocese/CDC.**

- **Once a student is excluded from the school environment, they may return if they satisfy the policy listed below. Students may also return if they are approved to do so, in writing, by the student's health care provider.**
 - **I think or know I had COVID-19, and I had symptoms**
 - **You may return to school after:**
 - ◆ **3 days of NO fever**
 - ◆ **Symptoms improve**
 - ◆ **Approved by local health department (typically 10-14 days since symptoms first appeared)**
 - **I TESTED POSITIVE for COVID-19, but had NO SYMPTOMS**
 - **You may return to school :**
 - ◆ **If you continue to have NO symptoms and**
 - ◆ **10 days have passed since test**
- **HOUSEHOLDS WITH COVID-19 - If a student is excluded from school due to COVID-19 symptoms or has had a positive COVID19 test, his or her siblings or other students living in the same household will also be excluded from school.**
- **Self-Quarantine - Anyone who has been in close contact with someone who has COVID-19. This includes people who previously had COVID-19 and people who have taken a serologic (antibody) test and have antibodies to the virus.**
 - **What counts as close contact?**
 - ◆ **You were within 6 feet of someone who has COVID-19 for at least 15 minutes**
 - ◆ **You provided care at home to someone who is sick with COVID-19**
 - ◆ **You had direct physical contact with the person (touched, hugged, or kissed them)**
 - ◆ **You shared eating or drinking utensils**
 - ◆ **They sneezed, coughed, or somehow got respiratory droplets on you**
 - **Steps to take**
 - ◆ **Stay home for 14 days after your last contact with a person who has COVID-19**
 - ◆ **Watch for fever (100.4°F), cough, shortness of breath, or other symptoms of COVID-19**
 - ◆ **If possible, stay away others, especially people who are at higher risk for getting very sick from COVID-19**

❖ **GUIDELINES FOR SPECIFIC COMMUNICABLE DISEASES**

- **Schools of the Archdiocese of St. Louis will follow the recommended policies and procedures on communicable diseases established by the Missouri Department of Health.**
https://health.mo.gov/living/families/schoolhealth/pdf/Communicable_Disease.pdf

❖ **LAVATORIES**

- **Bathroom breaks will be provided for the children as needed per individual classrooms.**
- **If a child has a health problem, please contact the Principal and/or the teacher so special arrangements can be made.**
- **ALL BATHROOMS WILL BE CLEANED AND SANITIZED ON A REGULAR BASIS SEVERAL TIMES A DAY.**

❖ **STUDENTS WITH SIGNIFICANT MEDICAL CONDITIONS Archdiocesan policy # 4401.6 A student enrolled in a Catholic school who has a significant or potentially life threatening**

medical condition may require special consideration. Schools should take steps to obtain the information necessary to understand the condition, its manifestations in the school setting, and any specific adjustments or plans for an emergency response which may be necessary in order to provide the student with a healthy and safe environment.

❖ **PHYSICAL EDUCATION GUIDELINES AND INFORMATION**

- **Uniforms:** Tennis shoes are required for all PE classes. Girls, Grade K-2 must wear shorts under their uniform jumpers on P.E. days. Grades 3 - 8 will dress out on PE days. (**Only during LEVEL 1 of our INFECTION PREVENTION PLAN) P.E. uniforms are to be kept in a small bag. Uniforms shorts and shirts can be purchased through Fisher's Uniforms/Sweats and shirts may also be purchased through our Online Spirit Wear. **We do go outside for PE classes. Dress accordingly for cold weather.** REMINDERS: Grades 5 - 8 will have 1 free oops pass per quarter for PE clothes. After the third infraction a virtue check will be given for lack of respect to gym expectations
- **Jewelry:** Stud earrings may be worn in class. All watches, rings and necklaces will have to be removed for class. Exception - Religious medals may be worn and tucked inside the shirt. If jewelry cannot be removed, student should see PE teacher before class.
- **Medical** - A student will need a parent's written permission note to be excluded from PE (or a teacher's note if health is impaired that day). If a student needs to refrain from PE classes for a period of more than 3 consecutive classes, a doctor's note will be required. In some circumstances, this student will be given some type of assignment to be completed as part of the class, i.e. keeping time, helping to referee, etc. **IT IS EXTREMELY IMPORTANT TO NOTIFY THE PE TEACHER IF A STUDENT HAS A CHRONIC MEDICAL CONDITION, i.e., ASTHMA.**
- **Grading** - Grades are based on participation/effort, conduct, full PE uniform is required for Grades 3-8; tennis shoes are required. There will be occasional quizzes for students in Grades 6-8.
- **P.E. Class Expectations:**

- ❖ **OUTDOOR PLAY** - Fresh air and exercise are essential to maintain good health. Children will be encouraged to play organized games outdoors when weather permits. **Please make sure your child/ren wear weather-appropriate clothing for the season, including cooler days in the spring and fall.** If you wish to have your child remain inside for ONE DAY due to health reasons, kindly send a note to the teacher, stating the reason why the child may not play outdoors. In order to keep a child indoors for more than three days, a note from a doctor is required. These same rules apply to Physical Education Classes.

SECTION 10 - PARENT PARTICIPATION

- ❖ **ST. PAUL PARENT TEACHER ORGANIZATION (SPPTO)** As part of a community parents are asked to give of their time and talent throughout the school year. Sign-up sheets for various activities for the school year will be made available at the parent orientation in August.

- Mission Statement: To foster mutual support and communication among all members of the community, parish, and school. To provide a positive Christian spirit to all students of St. Paul School by focusing on social and educational activities.
- Purpose: It is our belief that a child's academic achievement is a direct result of a combined effort of faculty, staff and parents. With communication being a vital component of this effort, we wish to become a communication bridge between St. Paul School and all other members of St. Paul Parish. Another purpose of SPPTO is to be an integral part of supporting St. Paul School financially through fundraising efforts.
- Objectives: SPPTO will act as an informational league, providing academic progress, extracurricular activities and youth related community projects that directly relate to the students at St. Paul School.
- SPPTO is primarily a fund raising organization. The officers and principal will determine each year how many fundraising events will be held. A plan for allocating funds raised by the SPPTO will be presented to the school board in order to keep the monies spent in alignment with the strategic plan for the school.
- According to our By-Laws, "Meetings will be of informal nature but must stay within agenda topics. Any motion must have a second to be voted on and a vote must be taken." Under extenuating circumstances, due to timing issues, a ballot may be sent home for parents to return to the school.

- ❖ **FUNDRAISERS** All the proceeds from all major parish fundraisers are used to provide the parish subsidy to our school. The fundraisers include the Annual Picnic, Dinner Auction, Spring Appeal, Annual Breakfast and the Together We're Better/Scrip Program. The 7th Grade class holds an annual Trivia Night to support their 8th Grade activities. All parishioners, and especially students' parents, are expected to actively participate in and support all these fundraisers. These fundraisers provide numerous opportunities for the sharing of time, talent and treasure. The proceeds from any other fundraisers are to go to the school to supplement the teachers' curriculum. All incentives and rewards to encourage support of these fundraisers must be approved by the administration.

SECTION 11 - SCHOOL VISITORS

ONLY DURING LEVEL 1 ON OUR INFECTION PREVENTION PLAN

- ❖ **CLASS INTERRUPTIONS BY VISITORS** - Classes are not to be disturbed at any time during the school day, unless by previous commitment. Please come to the office if you need something. All visitors to the school building **MUST** go to the office first and sign in. Visitors must sign out in the office as well and indicate the time they are leaving the building.
- ❖ **CELEBRATIONS** - All classroom parties held at school are arranged with the consent of the Principal and teacher collaboration usually at Halloween, Christmas and Valentine's Day. A fee of \$9.00 per student is paid by the families to cover the cost of these parties. No extra money should be collected or spent on classroom parties. Room mothers should contact the teachers in advance to prepare for the party. Usually parties will be held the last 45 minutes of the school day. Please be reasonable with the amount of food available at these parties. If students wish to have a party for a teacher, they must obtain permission from the Principal.
- ❖ **BIRTHDAYS – Students are welcome to dress out of uniform to celebrate their birthday. At this time students will not be permitted to bring treats in to share with the class.**

SECTION 12 - EMERGENCY PROCEDURES, SECURITY AND SAFETY

- ❖ **EMERGENCY MANAGEMENT (Fire, Tornado, Earthquake, Threat of Violence)** Procedures have been developed to deal with various emergencies and are included in the Teacher's Handbooks and Emergency Bags. Children will participate in regular, planned disaster drills throughout the school year using these procedures. These drills should not be a cause for alarm. They are to prepare the students in the event of a real disaster.
- ❖ **PARENT NOTIFICATION OF VIOLENCE** In the event that there is a threat of violence or an actual violent act in school, the parties affected will be notified as quickly as possible. In cases where the incident is very localized or confined, the notification will be limited to those families affected. In cases where the entire student body was or is affected by the incident, all parents will be notified either by phone, email or note home. It should be noted that there are times when the Archdiocesan officials or the police may be called in for advice regarding the incident. Not all such incidents will warrant notification if no one was or is threatened by the incident.
- ❖ **DOORS LOCKED** All doors to the school are kept locked during the school day. Our Security System allows entry only at the front door entrance. The front door is unlocked during arrival and dismissal time. At this time school personnel is present at the door.

SECTION 13 - FIELD TRIPS

ONLY DURING LEVEL 1 ON OUR INFECTION PREVENTION PLAN

- ❖ Field trips will be available for the children insofar as they are scheduled by the teacher and closely related to a field of study. **All field trips will be screened by the Principal.**
 - Whenever possible, bus transportation by an insured carrier will be provided.
 - Permission forms will be necessary for each trip.
 - Parent assistance will also be necessary, but the teacher will be responsible for the group. School field trips will be chaperoned by teachers and parents of students before any other person is considered as a chaperone, except for the 8th grade trip to Trout Lodge. It is advisable that a male chaperone accompanies the group.
 - Pre-school aged children or children that are not in the class are discouraged from accompanying a supervising parent. This would prevent any distraction to the parent and the class.
 - For those times when parents are asked to drive the parent needs to follow these guidelines for safety purposes: If a private passenger vehicle must be used the following criteria must be met:
 - Drivers must have a valid, non-probationary driver's license and have no physical disability that may impair their ability to drive safely.
 - The vehicle must be insured with liability limits no less than \$100/\$300 or \$300 single limit.
 - The vehicle must be in good condition and considered safe by reasonable and prudent standards.
 - Drivers should be experienced, over the age of 21, and responsible to provide for the safety of those they are transporting.
 - Every person in a private vehicle must wear a seatbelt.
 - No side trips are allowed for personal vehicles unless the entire group on the trip is making the extra stop.

- Students must use the mode of transportation as previously determined unless the parent gives specific instructions otherwise, or in case of emergency as determined by the trip coordinator.
- Students who require medication will receive it at the appropriate time under direct supervision of the classroom teacher.

SECTION 14 - HONORS AND RECOGNITION

An honor roll will be published at the end of each quarter for grades 5 – 8. To achieve Highest Honors, a student must accumulate a 4.0 grade point average. To achieve High Honors, a student must accumulate a 3.5 or above, and for Honors, a 3.0 –3.4. To achieve honor roll status, a student must have no “areas of concern” marked on their report card for the quarter. An honor roll will be published at the end of each quarter for grades 5 – 8. Students will receive an Honor roll Certificate stating what quarters they qualified at the end of the school year.

SECTION 15 - PARTICIPATION IN RELIGIOUS ACTIVITIES

- ❖ **SUNDAY MASS-** It is the responsibility and privilege of the parents to have their children attend Sunday Liturgy. This is an assumption that is made when you make the decision for your children to attend a Catholic School.
- ❖ **MASS-** The spiritual life of the child is centered about the sacraments. Mass is an important beginning of the school day for all the children. The children are encouraged to get the most out of this great source of spiritual strength by participating in prayer and song. Homilies are geared toward their level of understanding, and meaningful to them, and many times require their active participation.
 - On some days each week special Masses are prepared by the Religion teacher. At all times we ask that you attend Mass when you can with your child as an example of our Catholic faith.
 - The opportunity for **Reconciliation** is given to all students in grades 2 – 8 during Advent and Lent. Again parental encouragement is needed. The parents are obliged to instill love for the Sacraments, and to build up the habit of frequent reception of this Sacrament. The best role model for your child is the parent.
- ❖ **ADORATION** Monthly the students will attend Adoration for a 20-30 minute period depending on their age level. This is a time to reflect and pray in the true presence of the Eucharist
- ❖ **FIRST RECONCILIATION, FIRST HOLY COMMUNION, AND CONFIRMATION** The sacraments of Reconciliation and Holy Communion are usually first received during Grade Two. Parents’ cooperation and Sunday assistance at Holy Mass are encouraged. The Sacrament of Confirmation will be conferred on a yearly basis, generally during the spring of a student’s 8th grade year. ***There will be one required parent in attendance at a meeting for each of the sacraments. *There will also be a Parent/Child Day of Retreat for First Holy Communion that at least one parent is asked to attend with their child. More info will be given by the classroom teacher.**
- ❖ **SERVERS** Serving is a privilege and responsibility. Any student in Grades 5 through 8 is eligible to become a Server. Training for servers occurs during the fifth grade. Students are expected to serve the Masses for which they are scheduled. If they cannot make it, they are responsible to get a substitute. Serving appointments are made and posted each month in school and on the

bulletin board in the rear of church. Each server also receives personal copies. Summer serving schedules are also mailed to the students.

SECTION 16 - EXTRACURRICULAR ACTIVITIES

- ❖ **AFTERSCHOOL ENRICHMENT SOLUTIONS-** will be offered several times throughout the year, this includes: Chess Club, Computer Coding, and Let's Build It
- ❖ **BAND PROGRAM** Students in Grades 4 - 8 are offered band lessons weekly at school for a small fee. A teacher from St. Dominic instructs our students, who become members of the St. Dominic Regional Elementary Band. Lessons are also given, in group, after school at St. Dominic High School.
- ❖ **PRINCIPAL'S LEADERSHIP CREW/SAFETY PATROL** Students in grades 6 – 8 are eligible to become Safety Patrol.. They are called on to represent our school to prospective families and to the parish community. They are selected by the principal of the school.
- ❖ **SERVICE HOURS** Our parish fosters a sense of commitment and service to others. This is readily seen through the adults of the parish. We want to provide experience through which all students are given the opportunity to perform acts of service to others.
 - Each class will be assigned a service and focus on that service throughout the school year. Examples may be protecting the environment, supporting our veterans, helping the sick/elderly, protecting our youth etc... Many of these service opportunities will be given throughout a school day.
 - **Confirmation Service Hours** - Students in Grade 8 will complete 20 service hours prior to their Confirmation date. These will include 10 hours in each of these categories: school and community. The principal and the 8th grade teacher will determine when the students may start accumulating service hours and how to account for them.
