STATIONS of the CROSS

**Volunteers Wanted to
help with Stations of the
Cross on the first Friday
of Lent.**

We are looking for several parent/child teams to help with a special Stations of the Cross the evening of Friday, February 28.

Please contact

Mrs. Kaimann for more details and to sign up!

Keeping
a sick child
home prevents
the spread of
illness in the

school community and allows the child an opportunity to rest and recover. If your student is sick, they may not come to or return to school until symptom free for 24 hours; without the aid of medication. Symptoms include, but not limited to, fever, vomiting, etc

SAVE THE DATE: St. Paul PTO Meeting

Thursday, February 20

****Babysitting Available****

If you haven't returned your Registration Forms, please do so as soon as possible. This information will assist us in preparing for the 2020/21 school year! Please contact the office if you have any questions.

Thank you!

100 Days of School!

Close the Summer Learning Gap!

Summer learning loss puts students at a serious disadvantage. This is when skills and knowledge are lost over the summer months, causing students to move backwards instead of progressing.

By spending just **minutes a day** with *Summer Solutions*, students get the practice they need to keep moving forward. It was designed to help students return to school after summer break confident in the skills they've already learned and ready to master new ones.

**Your child worked hard all year. Make sure that progress sticks.
Give your child the advantage of *Summer Solutions*.**

Each book is \$13.00.

ST. PAUL PARISH ANNUAL PANCAKE AND SAUSAGE BREAKFAST

SUNDAY, March 1, 2020

St. Paul Church will be hosting our annual pancake breakfast in support of St. Paul School on Sunday, March 1, 2020.

We offer an advertising opportunity on the placemats used at the breakfast. The cost of the advertisement is \$25.00 for each business card size spot of advertisement on our placemats. If you would like a larger ad, simply purchase additional business card size spots and we will adjust the size of your ad accordingly.

In order to ensure accurate advertising, we are asking everyone to send a business card in with their contribution.

If you are interested in this advertising opportunity, please make checks payable to "St. Paul Church" and mail on or before February 14th to:

Let's Build It Engineering!

Spring 2020

St. Paul School

STEM Learning

HANDS ON

GRADES 1-6

Let's Build It - Crazy Circuits is an exhilarating, cutting-edge area of engineering. In this unit, students will design, build, and test various circuits and electronic projects. Instructors will guide students through core concepts of electrical engineering, introducing them to circuits and electrical components. Students will use hands-on projects and experiments to explore how electricity is part of our daily lives. No previous experience is necessary, just a desire to learn and build. Projects will include: a disc launcher, electronic games, musical instruments, alarms, and more, along with fun-filled class activities! Each student will receive an award on the last day of the session, as well as the opportunity to earn engineering belts to demonstrate their learned skills!

Course Time: Tuesdays, March 3rd - May 12th, 3:00 PM - 4:00 PM
No class: 3/10 (10 Classes)

To sign up, please visit <https://www.learningmeanfun.com/signup>.
You will need to enter the class code **MDT3.3.20** in order to register. Please register by 2/24 for the early bird price of \$150.00.
If you have difficulty registering, please contact AfterSchool Enrichment Solutions at 847-482-9999 or registration@learningmeanfun.com.
No refunds will be made, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. It's the parents' responsibility to remind the children about the classes.

Chess Belts!

GRADES K-8

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. No previous knowledge of chess is necessary. Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes at the end of the session!

Course Time: Thursdays, March 5th - May 21st, 3:00 PM - 4:00 PM
