Good Afternoon,

St. Paul School is getting ready to start our School Improvement Process. This is conducted every 7 years by the Archdiocese of St. Louis. It is a great way for us to acknowledge our good aspects and set goals for areas that need growth. The field of education is never stagnant; we are always looking at ways to improve the quality of education for both our students and staff.

I sent out a survey last week to all school families. Thank you to all who have completed the survey so far. In completing the survey you will be helping us in gather data of our strengths and opportunities of growth. The more individuals that fill it out, the more knowledge we will have. Thank you for your continued support!
