The objective of Incarnate Word Academy Red Knight Summer Camps is to involve girls in a variety of safe and fun summer activities. The all-girls setting creates a joyful and supportive environment where girls feel comfortable trying new activities, gaining new skills, and making great friends. All IWA summer camp activities are based on the components of wellness: physical, emotional, spiritual, environmental, intellectual and social. Camps are directed by experienced and caring IWA faculty/staff professionals.

Incarnate Word Academy has instituted health and safety protocols for all our on-campus activities, including summer camps. Each participant is required to bring and wear an appropriate face mask for the duration of each camp session. Social distancing has been incorporated into all planning. In addition, participants are required to complete a mandatory COVID-19 checklist prior to the start of each camp session.
