You are invited to an event that provides an atmosphere of love and learning to discuss fertility and to promote communication between father and son. The programs emphasize respect, understanding and appreciation for God's gift of sexuality, as well as age-appropriate information on the function of the male reproductive system.

Sunday, April 24, 2022

The 11 and 12 year-old program will focus on: changes in boys' bodies as they enter puberty, modesty, values, plans of action, and the sacredness of human life.
