Testing will begin grades 3-8.

Good Afternoon,

Next week grades 3-8 will be taking the ITBS test. We will try to make it as stress free as possible. I have listed some information that I hope will be helpful:

*Ask your child to take their time and do the best that they can do on this standardized test.

*Make sure that your child is well rested

*A well balanced breakfast every morning

*Please do not make appointments for your child during the school day on ITBS Testing week.

*Arrive on time to school

*Pray for your child to be confident, well rested and to perform to the best of their abilities!

THANK YOU & Have an AWESOME Week!!

God bless,
Mrs. Kaimann

Chess Scholars

Fall 2019

St. Paul School

No Experience Needed

Trophy
Medals
Chess Belts!

GRADES K-8

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. No previous knowledge of chess is necessary. Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes at the end of the session!

Course Time: Thursdays, September 19th - December 5th, 3:00 PM - 4:00 PM
No class: 10/24, 10/31, 11/28 (9 Classes)

To sign up for chess, please visit <https://www.learningmeansfun.com/signup>.

You will need to enter the class code MOT9.19.19 in order to register. Please register by 9/11 for the early bird price of \$110.25.

If you have difficulty registering, please contact Afterschool Enrichment Solutions at 847-482-9999 or registration@learningmeansfun.com

No refunds will be made, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. It's the parents' responsibility to remind the children about the classes.

St. Paul School

STEM Learning

HANDS ON

GRADES 1-6

Chain Reactions - Ready, Set, Roll - See the laws of motion at work in this thrilling, hands-on course. Both new and returning participants are welcome. Students will construct machines, like the Heavyweight Hammer and the Spin-o-Matic, and then combine them to create exciting chain reactions! Each week, the chain reactions will become more complex with the introduction of new machines. The projects will afford students the opportunity to delve into concepts such as force, gravity, velocity, types of energy, and balance. At the end of the session, students will be challenged to create the Ultimate Chain Reaction by working cooperatively to see how many machines they can incorporate. No previous experience is necessary, just a desire to learn and build. Each participant will receive an award on the last day of the session and have the opportunity to earn Energy Belts by demonstrating their learned skills!

Course Time: Tuesdays, September 24th - December 3rd, 3:00 PM - 4:00 PM
No class: 10/29 (10 Classes)

Let's Code It Programming!

Fall 2019

St. Paul School

GRADES 2-8

Crazy Keyboards- Programming Pros- This new class will help you connect the world around you to computer programming using the Vilros FunForce Controller! First, you'll program your own creative video game. Then, decide how you want to play the game, using a wide variety of everyday household objects instead of a keyboard. Create a floor piano keyboard and play music with your feet! Turn your seat into a high tech gaming chair, where you tap your armrests to play! This fun-filled class stresses critical thinking, creativity, confidence, teamwork, and problem solving skills to prepare them for the 21st century and beyond. Each student will receive an award on the last day of the session, and will have the opportunity to earn Code Belts to demonstrate their learned skills!

Course Time: Wednesdays, September 18th - December 4th, 3:00 PM - 4:00 PM

NEXT LEVEL PANTHERS BASKETBALL

Fall Basketball Opportunity

DEVELOPMENTAL PROGRAM

Goals

- To build and improve fundamental skill level
- To prepare 4th-8th grade females for the next level
- To give young ladies an opportunity to participate and compete with their future classmates
- To have young ladies be a part of the Fort Zumwalt community and build excitement for their future in our district

We will hold a clinic on September 10th and 12th to start the fall season, gain interest, and to see how many young ladies want to play in the fall.

Times for the clinic are 4th-6th (6-7:15) and 7th-8th from (7:15-9:00).

Once we have numbers and determine teams we will have the gym on Tuesdays and Thursdays from 6:00-9:00, grade level and team will determine your practice/skill time.

Per MSHAA Rules- 8th graders cannot be coached by a high school coach. They will be handled by our feeder director.
