# Mass Greeters

## Firm Foundation

We build our life upon HIS Love!

Dear St Paul Parents,

Greetings from the St Paul Parish and School Board! We hope that your school year is off to a successful start. When we reflect upon those exciting first days of school and how it felt to arrive at school. Many of the teachers and administrators were standing outside of the building or their classrooms waiting to greet you with a smile. This greeting communicated several things to you and to your child. First, we are excited you are here. Second, you are not alone. Finally, we value your presence. There are many tasks that need to be done before any school day, but the choice to welcome us to the building and classrooms was an intentional and meaningful sentiment, we are glad you are here.

It is with that same spirit that we are piloting a new program for the Masses at St Paul. We'd like to invite two families for each Mass to stand at the entryway of the Church and welcome parishioners and guests to each Mass. Let's treat each Mass is like an exciting new school year. Having school and parish families greeted before Mass, will send an intentional and meaningful sentiment that we are entering the building with welcome and open hearts to receive Jesus's Love and we are glad that you are here.

The Greeters should plan to arrive 15 minutes before Mass and have their family open the doors, extend a smile, and then one of the two families should bring up the gifts during the Mass. A Signup Genus link will be provided for all those who would like to join us in the physical representation that all those are welcome to join us!

### Every Catholic Deserves to Know Their Story

*Join us in a parish-wide study that presents  
the BIG picture of the Catholic Faith*

#### **Week One: The Journey of Faith**

St. Augustine wrote: "Our hearts are restless until they rest in [him]." At every moment of our lives, God draws near to us, calling us to seek him, to know him, and to love him. Our journey of faith begins when we respond to that call. But how are we to know God and what does our response look like?

# THIS WEEK ON **FORMED**

## Week of September 25, 2022

### Thérèse

A pampered child from a middle-class 19th century French family, Therese Martin journeys to Rome to beg Pope Leo XIII for permission to enter the Carmelite monastery at the unheard-of age of 15. Once admitted she experiences the joys and rigors of monastic life, and makes the surprising yet simple discovery that holiness can be achieved by small acts of love and compassion, a spiritual path she calls her Little Way.

### FORMED Now! Who are the Archangels?

Dr. Ben Akers and Dr. Elizabeth Klein discuss archangels and what role they have in our lives.

### Angels: Bishop Fulton Sheen

In this compilation of three episodes from his classic television program, "Life is Worth Living," Bishop Fulton Sheen delivers his thoughts on various elements of the Catholic Faith with his ever-present humor, animated presentation, and captivating mode of speaking. In this first segment entitled "Angels," Bishop Sheen explains the nature of angels and the meaningful role they play in our world.
