REPORT OF THE VISITING TEAM TO THE SCHOOL COMMUNITY OF St. Paul School

October 17 - 18, 2024

We, the members of the Visiting Team, wish to thank the educational community of St. Paul Catholic School for the welcoming attitude and spirit given to us the past two days.

We wish to commend you for the School Improvement report written to demonstrate and further the educational and spiritual programs of the school community. Your dedication and patience with the process is evident in the goals outlined for the students of St. Paul Catholic School.

At the heart of this school is a desire for continued Catholic education in the St. Paul community as shown by the students, faculty and administration. Faith and dedication to Christ is the mission of Catholic schools. St. Paul Catholic School is a place seeking to fulfill that mission.

We commend Fr. Joseph Post for his leadership at St. Paul Parish and School. His rapport with members of the community, student centered Masses and attention to building community, shows his dedication to Catholic education. His commitment to the spiritual growth of the students, faculty, and parents is commendable. The Visiting Team appreciates the strong relationship of cooperation displayed between Fr. Post and Mrs. Kaimann.

We commend Mrs. Kelly Kaimann for her educational leadership at St. Paul Catholic School. She has embraced the commitment of success and growth of students, faculty and parents. During her time as principal, she has created an exemplary educational program and seeks to provide a clear vision for the future.

We commend the faculty and staff of St. Paul Catholic School for their willingness to work together as a team to create a positive learning environment for all students. A sincere love for the school is evident by the time, energy, passion and enthusiasm demonstrated by the teachers. St. Paul Catholic School is blessed to have such dedicated faculty and staff.

We commend the School Improvement Committee members for their diligence and dedication toward the process. The parents and teachers worked to create a well written plan to guide the direction of the school for the future.

We commend all the students of St. Paul Catholic School for welcoming the Visiting Team into the school and classrooms. We appreciate the students' hospitality and spiritual reverence displayed during the visit.

The Visiting Team congratulates St. Paul Catholic School for the tireless and thorough energy given to the evaluation process and the needs of the school. The community's dedication to Catholic education is commendable and will provide opportunity for growth in the future.
