A NOTE FROM FOOD SERVICE

There were upgrades made to the family portal shortly after the 2024-2025 school year ended. This change requires everyone to complete registration at the new portal address which is **fscstpaulstpaul.familyportal.cloud**. You will use the family portal to make payments instead of Revtrak.

Below are the instructions below to get you signed up on the new portal.

Please do not hesitate to reach out for any further assistance.

Sharon LaBarge at cafeteria@stpaulknights.org

Please follow these instructions to register on the new portal and add your student to the payment account.

- 1. Visit the new family portal site at .fscstpaulstpaul.familyportal.cloud
- 2. Click on "My Account"
- 3. Click on "I need to register as a Family Portal user"
- 4. Provide an email address in the "Username" field
- 5. Check your email and follow the instructions in the activation message to complete this portion of the registration
- 6. You will be redirected to the "My Account" page
- 7. Click on "Add Person"
- 8. In the "ID Number" field enter the number xxxxxxxx
- 9. Fill out the First and Last name fields as well

10. Click "Submit" and your student's name should appear on your profile You can now enter a payment method and fund your student's lunch account.

Thank you, Sharon

A Reminder from the Cafeteria

Please check the balance of your child/children's account and make a payment if needed through Meal Magic, send in a check made out to Food Service Consultants, or send in a cash payment.

NWEA

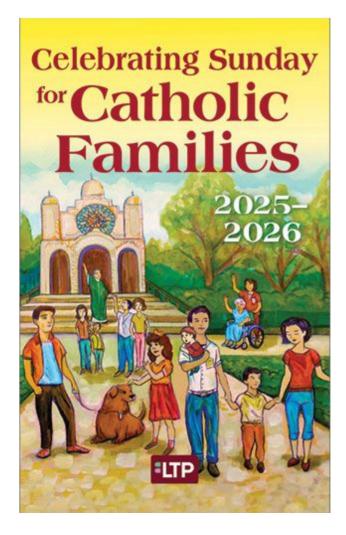

Dear Parents,

This fall we will continue the transition from the Riverside lowa test to the NWEA MAP Growth Assessment. As part of an Archdiocesan-wide initiative, we are in our second year of making this change.

The NWEA MAP Growth Assessment is a benchmark assessment composed of Math, Reading, Language Usage. The students will take each of these sections 3 times a year during the testing widows. The three testing windows will occur from August 18th- September 12th (Window 1), January 12th- February 6th (Window 2), and April 14th- May 8th (Window 3). While there is greater frequency in the tests, each section of the test lasts roughly 45 minutes and should lead to much less taxing testing experiences for our students.

The NWEA MAP Growth Assessment is computer adaptive, meaning that the test is dynamic and adjusts the difficulty of questions based on a student's responses. The questions begin at grade level, and as a student gets questions correct or incorrect, the test adapts above or below grade level to find the student's ability level. Our school is excited to use this test because its adaptive nature along with multiple data points will allow us to focus more on promoting individual student and class growth, supporting student needs, and getting more frequent feedback on the impact of our instructional practices.

Please don't hesitate to reach out with any questions you may have. Mrs. Kaimann

A free gift to St. Paul Families

Pick up your family's copy in the back of church!

This resource provides parents with a guide for reflecting on the Gospel as a family. Prompts for conversation on the way to and from Mass inspire children to focus and engage with different aspects of the liturgy, and simple family activities reinforce the connection between the Gospel stories and daily family life.

TeacherEase

St. Paul School is using the TeacherEase Student In-formation System - ALL PARENTS MUST log into TeacherEase to verify and up-date your student's information - THANK YOU!

The system can also send text messages and make voice calls. You need to do a small amount of setup to receive these messages. Login to TeacherEase and click "Communication Preferences." You can choose whether to receive emails, mobile app notifications, text messages, and/or voice calls. We support two types of announcements: "school closure" and "other information," choose how you'd like to receive these messages: Everyone can choose email. If you've installed the TeacherEase mobile app, you can choose app notifications. If your mobile phone number is in the system, you can choose to receive texts and voice calls. If your phone number(s) are NOT listed, they are likely not in the system. Feel free to contact the school and provide them with updated information.

TWB/RaiseRight NEWS

What is TWB/RaiseRight?

Welcome back to all of our returning families and to our new families, we are glad to have you! Together We're Better (TWB) is a gift card sales program. Each day school family is required to earn \$250 in rebates by May 10th, 2026. Gift cards purchased through our account that can be used for everyday shopping needs not just as gifts. Some major retailers that most families purchase for and shop from on a weekly basis are Walmart, Target, Exxon Mobil and Dierbergs. The rebates vary from 1% to 18% depending on the card. For example a Walmart card which is also good at Sam's Club has a 2.5% rebate, if you purchased a \$100 gift card for Walmart to purchase household goods and groceries that you buy weekly, you would earn \$2.50 towards your obligation. To make things even easier once you purchase one card through the office you can log into your www.raiseright.com account and select Walmart and the reload now option, then you can reload the card yourself and continue to reuse it. A third option for purchasing gift cards through us is with the app, you can purchase an eGift Card from select retailers right from your phone while you are shopping or dining out. There is an enrollment code associated with St. Paul so that your family receives credit for the purchases. There are over 750 retailers you can purchase cards from including restaurants, specialty stores, movie tickets, entertainment venues and even hotels and carnival cruises. So meeting the obligation can be easily done

Several times throughout the school year we will do preorders on local vendors. Please watch for emails through teacher ease when these are available to order and their deadlines.

Watch for emails sent through teacher ease throughout the year with bonus buy information and program updates
