NWEA

This week, students in **grades 1–8** will be taking the **NWEA MAP Growth Assessment** in:

- **Math**
- **Reading**
- **Language Usage**

A few key things to know about the MAP Growth test:

- It is **computer adaptive** – the test changes questions based on your child's answers.
- It helps us find your child's **true learning level**, whether above or below grade level.
- Results give teachers important information to: Support individual student needs, Track both student and class growth, Improve instructional practices

How you can help your child prepare:

- Make sure they get **plenty of sleep**
- Provide a **healthy breakfast** each morning
- Encourage them to **try their best without stress**

If you have any questions, please don't hesitate to reach out.

A Reminder from the Cafeteria

Please check the balance of your child/children's account and make a payment if needed through Meal Magic, send in a check made out to Food Service Consultants, or send in a cash payment.

TWB/RaiseRight NEWS

August 20, 2025

Volume 7, Issue 1

What is TWB/RaiseRight?

Welcome back to all of our returning families and to our new families, we are glad to have you! Together We're Better (TWB) is a gift card sales program. Each day school family is required to earn \$250 in rebates by May 10th, 2026. Gift cards purchased through our account that can be used for everyday shopping needs not just as gifts. Some major retailers that most families purchase for and shop from on a weekly basis are Walmart, Target, Exxon Mobil and Dierbergs. The rebates vary from 1% to 18% depending on the card. For example a Walmart card which is also good at Sam's Club has a 2.5% rebate, if you purchased a \$100 gift card for Walmart to purchase household goods and groceries that you buy weekly, you would earn \$2.50 towards your obligation. To make things even easier once you purchase one card through the office you can log into your www.raiseright.com account and select Walmart and the reload now option, then you can reload the card yourself and continue to reuse it. A third option for purchasing gift cards through us is with the app, you can purchase an eGift Card from select retailers right from your phone while you are shopping or dining out. There is an enrollment code associated with St. Paul so that your family receives credit for the purchases. There are over 750 retailers you can purchase cards from including restaurants, specialty stores, movie tickets, entertainment venues and even hotels and carnival cruises. So meeting the obligation can be easily done.

Several times throughout the school year we will do preorders on local vendors. Please watch for emails through teacher ease when these are available to order and their deadlines.

Watch for emails sent through teacher ease throughout the year with bonus buy information and program updates.

If you have any questions or need help setting up an account please don't hesitate to reach out.
